

2019-2020 Social Events

Our club hosts three special social events each year. The purposes of each are different but the common thread is to just have fun!

An Annual Rendezvous is usually held shortly after Thanksgiving when “snowbirds” have begun to arrive. This year it will be on December 13th at the Las Campanas Center. The event is a traditional “meet & greet” affair with heavy hors oeuvres and “setups” being served. Activities will include silent and live auctions, 50/50 raffle, storytelling, door prizes, contests, demonstrations and live entertainment. Only 100 tickets at \$8.00 each by mail only.

Our 3rd Annual Fundraising Banquet is being planned for February 15th at the West Center. A catered meal will be served and live entertainment will be provided. It is a good time to bring your spouse, significant other, a sportsman or a conservation minded friend. There will be live & silent auctions and raffles to raise money for our dedicated Conservation Projects Fund. Complimentary beverages will be served. Door prizes for everyone! Attendance will be limited to 200 persons.

Each year the club sponsors a Wild Game Potluck just before the “snowbirds” begin leaving. This year we will meet at the Las Campanas Center on March 28th. It is a chance to say good bye and an excuse to clean out all the fish, quail, deer, javelina, elk, etc. out of your freezers. Of course, other entrees are acceptable. Silent and live auctions and a 50/50 raffle will help defer the costs of the event. Door prizes as usual!

Join us and have a good time
